*We wish all 4253
shareholders a very
Happy Christmas
and a Happy and Healthy
New Year.*

Just a reminder for all shareholders.

**The 4253 AGM takes place at
2.00 pm, 13th January
in the Tenterden Town Station Buffet,
Station Road, Tenterden TN30 6HE.**

The buffet building is located at the far end of the platform.

All shareholders are most welcome.

Although we were due another full newsletter around now, we have decided to delay it by three or four weeks so that we can include news from our Annual General Meeting.

We will also be able to give a report on the boiler situation (*yes, it's still in Liverpool*), together with Henry Mowforth's engineering progress report and the 4253 financial report from Jerry Preston-Ladd.

The directors would like to thank everyone for their continued support to the project over this past year and wish all shareholders a *Very Happy Christmas*.

We look forward to *much* progress in 2024!
